

PRESS RELEASE

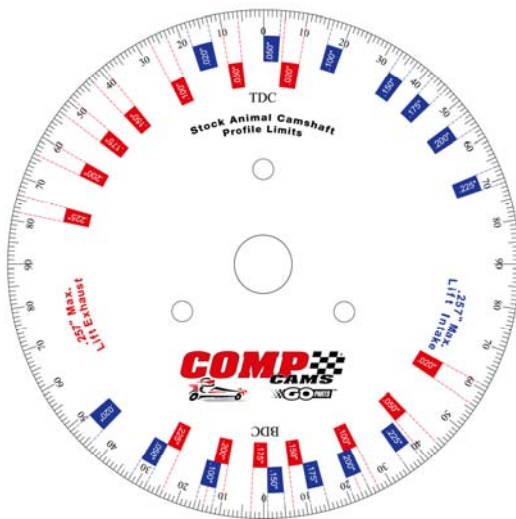

GoParts™ 8.875-Inch Animal Degree Wheel Decal & 9-Inch Steel Wheel Kit

Ensure you are running legal cam specs with your WKA Animal engine

GoParts™, the source for high-quality performance racing parts for Karting and Junior Dragster engines, has made it easier than ever to keep you running fast and legal in all forms of competition. The new GoParts™ 8.875-Inch Animal Degree Wheel Decal and 9-Inch Steel Wheel Kit are the best way yet to check the legality of your camshaft against WKA Animal stock class specifications. In this highly competitive racing, it is critical for front-runners to know the exact specs of their cam – and now you can.

The GoParts™ 8.875-Inch Animal Degree Wheel Decal and 9-Inch Steel Wheel Kit feature easy-to-read numbers for accurate measurement. The self-adhesive decals stick to any 9-inch or larger degree wheel. Just use your dial indicator and piston stop to figure your camshaft specs. The decal can also be purchased with the GoParts™ Degree Wheel Kit (Part #GP4790).
